January 6, 2016 - Counterfeit Bills in Bonner County

Local businesses have reported receiving counterfeit fifty and one hundred dollar bills. Investigators are working with the Secret Service to find the source of the counterfeit notes. Merchants and others should be attentive when accepting larger denominations.

The counterfeit bills are likely distinguishable by those who are familiar with genuine U.S. Currency. Genuine currency has several distinguishing characteristics. A guide to help identify genuine currency may be downloaded from our website at: www.bonnerso.org/knowyourmoney.pdf

Anyone who suspects they have received a counterfeit bill should report it to law enforcement immediately.
